New APPLETON Books

A Monumental Biography of the Great Ornithologist

Audubon the Naturalist

By Francis Hobart Herrick

This is the first complete and accurate biography of America's greatest ornithologist. Audubon has a most varied and interesting career and Professor Herrick's treatment does full justice to its romantic features. The book abounds in curious and delightful documents, letters, memoranda and extracts from the journals of Audubon and others.

Profusely illustrated with colored plates, photogravures and photographs. Two volumes, \$7.50 net
